

# Hope Junior celebrates second anniversary

BY GEOFREY MUTUMBA

**O**n November 30, 2025, Hope Junior School held its first nursery graduation ceremony, speech day and talent exhibition. The day marked an important milestone in the school's two years of contribution to academic excellence and holistic child development.

The colourful event

that took place at the school premises in Kiya Village, Butuntumula Sub-County in Luwero District, began with a brass band procession as graduands, pupils and parents marched through neighbouring villages around the school, creating excitement.

The band was followed by a series of activities including speeches, mimes, music, dance and drama

that highlighted the learners' talents and creativity.

Ms Teddy Namugenyi the director of the school commended parents for trusting the school with their children and reaffirmed her commitment to holistic education. She also awarded a full bursary covering education up to Primary Seven to a Baby Class pupil who impressed the audience.
