Muhika Junior awards best performers

BY GEOFREY MUTUMBA

Muhika Junior School in Kira, celebrated an impressive performance in its first Primary Leaving Examinations (PLE).

The school organised a Thanksgiving Mass at their premises bringing together pupils, parents, teachers, and school administrators to thank God for the excellent performance.

Out of the 15 candidates who sat for the examinations, 12 attained first grade, while the three came in the second grade.

Speaking after the Mass, Mr Edward Muhigirwa, the chairman board of directors, pledged that the school will

leverage the successes of the pioneer candidates who have set the bar high to make more wonders in coming years.

“This performance demonstrates how well equipped our candidates have been. We are planning to improve the performance by equipping our skilling centre and also introducing smart boards in every class,” he said.

At the same function, outstanding talents beyond academics were also recognised.

Five year old Bridget Nsimiire, who was crowned winner of the Little Miss Uganda contest and pupils who scooped medals in the Voyage Munah Ballet competitions were also given certificates.

Puils and teachers receive Holy Communion during Mass.

School heads lead pupils to present their offertory during the Thanksgiving Mass.
